

This conference aims at reflecting on art, literature, storytelling, and digital methods as means to mediate our social challenges in teaching practices and to challenge normative perceptions of identity, while also promoting students' multiliteracy skills. It is organized by the Center for Inter-American Studies of the University of Graz as part of the DigLit Erasmus+ project and the KinderKunstHochschule Steiermark.

### KEYNOTES

Vicky Macleroy (Goldsmith University London, UK)

Adelina Sánchez (University of Granada, Spain)

Victoria Showunmi (University College London, UK)

## May 5 – 6, 2023

University of Graz
